

Hello!

Yes, it is that time of year... again!!

We would like to invite you to join us for our annual general meeting. This year, it will be part of a festive celebration – including mince pies & mulled wine and other festive nibbles for everyone! (*... which clearly, we hope, will be an incentive for you to take the afternoon off and come and see us instead!*)

However, we would like you to not only hear about what we have been doing as an organisation (however riveting you may find this), but are keen to see what you think about our future plans, find out what improvements you think we could make to serve our community, customers and clients even better. More importantly, we'd like to update you on where we have got to in our planning for new premises and would really like to hear what your thoughts are on this. (*... this bit could be almost as good as the mulled wine & nibbles!*)

So, for a bit of Friday afternoon Christmas fun, come and join us!!
